9(6)	ENGLISH GERMAN/LATIN/SPANISH SCIENCE	ENGLISH GEOGRAPHY TECHNOLOGY	MATHS RE SCIENCE	FRENCH SCIENCE	ART HISTORY MATHS

Each Form has 14 regular homeworks per week. There will also be an ongoing project. The timetable shows the days when the regular homeworks will be set. The expectancy is that homeworks will be set over a minimum of 3 days and teachers will make deadlines clear. It is therefore up to each student to manage the workload across the week rather than sticking to the prescribed days.
