The most significant change to our proposed plan is that our intended 'showstopper' week (W/C 17th May) will now be replaced with a Buddhism practices assessment (or Islam practices for 9 students in the cohort). This is because we have been informed that all portfolios must include the same pieces of work rather than personalised pieces to suit individuals. For this reason, mock exams from term 1 will also be included for all students.

You will see that you have plenty of opportunities moving forwards to provide high quality evidence for paper 1 and paper 2 content. The overall TAG will not be based on one piece of evidence alone.
