

## ASSESSMENT INFORMATION FOR STUDENTS – SUMMER 2021

### SUBJECT: MEDIA STUDIES

#### YEAR GROUP: 13

Below is an outline of what we are planning on doing and when so you can target your revision and preparation. It has not changed substantially from our initial plan that we shared with you. It is important to note that the timings for assessments have been designed to allow them to be completed within lesson time and have enough scope for extra time for those students who are entitled.
