

## ASSESSMENT INFORMATION FOR STUDENTS – SUMMER 2021

### SUBJECT: ENGLISH LANGUAGE AND LITERATURE

#### YEAR GROUP: 11

#### Historical Data to be included

English Language	English Literature
Y10 Paper 1 Reading and Writing	Y10 Lord of the Flies
Y11 Paper 1 Reading and Writing	Y10 Poetry
Y11 Paper 2 Reading and Writing	Y11 Shakespeare 1
	Y11 Shakespeare 2 - Mock
	Y11 Unseen Poetry Mock
	<i>Y11 Anthology online assessment - N.B. The nature of the way in which this assessment was done with a pre-released question and extended time will be recorded for the exam board and factored into the final decision making process. Any students who did not complete this but wish to submit a response now need to contact ALK. Marks will be returned to you with the mock marks.</i>

Please see below for forthcoming assessments. Please remain assured that although all this data will be included in the portfolio, **no particular piece/s of data** will affect a grade on their own. We are being asked to make a holistic judgment at the end of the process on the balance of all the evidence available. So however you have done on past assessments, you still have six weeks to demonstrate how you are consistently performing at the end of the course.

### **Forthcoming Plan and assessments**

We are planning to test “Lord of the Flies” as we do not have a Y11 assessment for this element only. After this, we will revisit Paper 2 as this mock was done earlier and should be revisited near the end of the course. The last assessment will depend on review of all the mock data. For now, please focus all your attention on “Lord of the Flies”. Enjoy rereading it.
