

North Halifax Grammar School: A Level Results 2020

In 2020, due to the COVID 19 pandemic, schools were closed and public examinations did not take place. The “results” published here were the awards made to students based on Centre Assessed Grades moderated against the Centre’s historic performance. We are immensely proud of the way in which our students coped with these unusual circumstances and wish them all the very best for the future, whatever their chosen path may be.
