

## North Halifax Grammar School: A Level Results 2021

### Teacher Assessed Grades 2021

In 2021, due to the pandemic, there was a lot of disruption in schools and external examinations did not take place. The results published here, both at GCSE and A Level were the Teacher Assessed Grades (TAGs) based on internal teacher assessment.

We are immensely proud of the way that our students and teachers approached what was a difficult year and wish all our students the very best in their future studies, either with us at A Level, or at other institutions at A Level and beyond.

Roger Haworth

Vice Principal (Progress)

Due to the impact of the COVID-19 pandemic, most exams and assessments did not take place in 2019/20 or 2020/21. As a result of this, the government announced that it would not publish school or college level results data in autumn 2020 or autumn 2021. The following is for 2018/2019.

Secondary	16 to 18	Absence and pupil population	Workforce and finance

## Students progressing to education or employment

Students that left 16 to 18 study at this school or college in 2017, who either stayed in education or went into employment from October to March the following year, or stayed in an apprenticeship for at least 6 months. The data published in January 2020 is for all students that left 16-18 study at this school or college in 2017, regardless of the qualification that they took. This is different from the data that we published in January 2019 which was for students who took level 3 qualifications (A levels or other level 3 qualifications) only. Information about the destinations of level 3 students only can be found in the breakdown of destinations below. For further details, see the [16 to 18 Accountability Technical Guide](#)

Total number of students: 164
