

North Halifax Grammar School: GCSE Results Summer 2019
Roger Haworth (Vice Principal)

The excellent GCSE results this year are yet again a reflection of the hard work our students have put in over their time with us. They have been ably supported by the teaching and support staff, as well as by their families and friends. Everyone involved should feel very proud.

Our Attainment 8 score of 68.3 is up slightly on last year. Some 90% of our students achieved 5 or more strong passes at Grade 5 or above (including English and mathematics). This rose to 97.5% for 5 standard passes at Grade 4 or above (equivalent to the old "C" grade). In fact 73 of our students achieved 7 or more passes at grade 7 or above (equivalent to an old "A" grade). 70 students achieved at least one or more grade 9, with the top performing student in school achieving a clean sweep of 10 grade 9s, one for every subject taken. 18 students achieved an amazing 4 or more grade 9s each. Simply awesome!

The curriculum at NHGS is, however, about much more than just exam results. Over the last five years all of our year 11 students have grown personally through the broad range of experiences we offer and are ready for their next steps. For the vast majority, this means progressing into our thriving sixth form to receive the best preparation possible for the university course and/or career path of their own choosing. We congratulate all of our students and wish them the very best for the future, wherever their destination lies.
