

## North Halifax Grammar School: A Level Results 2022

The return of proper exams in 2022 has given students at North Halifax Grammar School a chance to shine once more. The 164 students in Year 13 passed every exam they took with the mean average grade being a B+. They collected over 100 A\* grades between them, with 13 students getting 3 or more A\* grades each. The 5 students holding offers from Oxbridge successfully met their targets. 2 students will be off to Oxford, one to read Psychology and Philosophy and the other to read Physics, while 3 are off to Cambridge, one to read English, one to read Engineering and one to read Modern and Medieval Languages.

The vast majority of students will be off to their first choice of University. Well over 40% of all grades were at the highest grades of A\* and A, while over 70% were at A\*, A or B. Considering the fact that these students did not sit proper exams at GCSE and have suffered 3 years of significantly disrupted education, they should be immensely proud of themselves, as we are. A huge thank you to all our staff, and to all the parents too, who have helped to make this happen. Thanks to everyone's efforts our leavers are once again in prime position to navigate life with confidence and set courses of their own choosing.

Roger Haworth  
Head of School
