

North Halifax Grammar School: GCSE Results 2023

Against a national backdrop of falling grades, it was wonderful to see so many successes across the GCSE cohort, with a special mention deserved for the seven students gaining 8 or more grade 9s. The sense of achievement reflects the character and determination of our Year 11 students and we look forward to welcoming so many into our sixth form to continue their journey. The average Attainment 8 grade (best 8 subjects) was 6.8 and 66% of students achieved grade 7 – 9 in English and 54% in Mathematics.

This achievement is again a tribute to the partnership between students, teaching staff and parents too. A big thank you to you all for your efforts in supporting our young people to achieve their success.
