About NHGS

Welcome to The North Halifax Grammar School

We are happy that you are joining us in September.

A group of students from Year 7 have produced this online guide about the school for you. It includes details about clubs and trips, the lessons you will have and the people you will meet as well as the rooms you will go to. There is also a section that will highlight the differences between Primary School and Secondary School so that you don't have to worry about anything. However, if you are worried about joining then click on the Year 6 to Year 7 Worries section and this will help you to stop worrying about joining.

Please also make use of the transition section on the school website: <https://www.nhgs.co.uk/year-7-transition>

Have fun!
